[Intro]

A Edim7/Bb Bm E

[Verse 1]

A Edim7/Bb
Blame it all on my roots, I showed up in boots

Bm
ruined your black tie affair

E E7
The last one to know, the last one to show

A
I was the last one you thought you'd see there

A Edim7/Bb
And I saw the surprise and the fear in his eyes

Bm Dm
When I took your glass of champagne

E E7
I toasted you, said honey we may be through

E
But you'll never hear me complain

[Chorus]

A
Cause I got friends in low places

A Bm
Where the whiskey drowns and the beer chases my blues away

E
And I'll be okay

A
Now I'm not big on social graces

A7
think I'll slip on down to the Oasis

Bm E A
Cause I got friends in low places

[Solo thru Chorus]

[Verse 2]

A Edim7/Bb
Well I guess I was wrong, I just don't belong,

Bm
then I've been there before

E E7
Everything's all right I'll just say goodnight

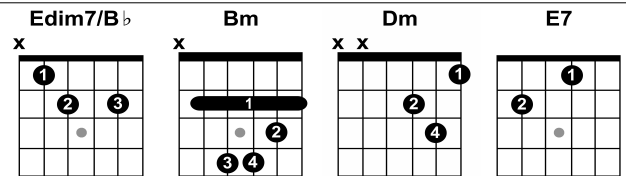

A
And I'll show myself to the door

A Edim7/Bb
Hey I didn't mean to cause a big scene

Bm Dm
just give me an hour and then

E E7
I'll be as high as that ivory tower

E
that you're livin' in

Chorus

[Solo through chorus]

[Verse 3] [Extra Verse]
