

Women – Lou Reed

11:01:25 AM 01/15/24

Key: G Notes: The trick to the introduction is that it is slowed down 25%. The rest of the song is played at regular speed.

In the verses you change from G to D playing the open D strings. Think minimalism and subtlety!

D G [4x]

[Verse 1]

```
      G              G
I love women, I think they're great
      G              G
they're a solace to the world in a terrible state
      G              G
They're a blessing to the eyes, a balm to the soul
      G              G
what a nightmare to have no women in the world
```

[Chorus]

```
G A D
I – love - women
G A D
I – love - women
G A D
I – love – women
G A D
we all love women
```

[Verse 2]

```
      G              G
I used to look at women in the magazines
      G              G
I know that it was sexist, but I was in my teens
      G              G
I was very bitter, all my sex was on the sly
      G              G
I couldn't keep my hands off women, and I won't till I die
```

[Chorus]

```
G A D
I – love - women
G A D
I – love - women
G A D
I – love – women
G A D
we all love women
```

[Verse 3]

```
      G              G
A woman's love can lift you up, and women can inspire
      G              G
I feel like buying flowers and hiring a celestial choir
      G              G
A choir of Castrati to serenade my love
      G              G
they'd sing a little Bach for us and then we'd make love
```

[Chorus]

```
G A D
I – love - women
G A D
I – love - women
G A D
I – love – women
G A D
we all love women
```

[Solo]

D G [36x]
