

**Key:** C **Notes:** I edited this song. I didn't like a verse and some words.  
Original is in G, but this key is better for me.

[Verse 1]

C F  
If you're going to lead my country,  
C F  
If you're gonna say it's free  
C Am G  
I'm gonna need  
F  
a little honesty

[Chorus]

C F  
Just a few honest words  
C F  
It shouldn't be that hard  
C Am G  
Just a few honest words  
F  
Is all I need

[Verse 2]

C F  
I don't need no handshake  
C F  
No firm look in the eye  
C Am G  
Don't tell me what you think,  
F  
I ought to hear

[Verse 3]

C F  
I don't need no high life  
C F  
No fancy premiers  
C Am G  
Just tell me what you really think  
F  
Without fear

[Chorus]

C F  
Just a few honest words  
C F  
It shouldn't be that hard  
C Am G  
Just a few honest words  
F  
Is all I need

[Verse 4]

C F  
And our love of freedom  
C F  
Holds a veil over our eyes  
C Am G  
Rights that are given  
F  
Can be taken away

[Chorus]

C F  
Just a few honest words  
C F  
It shouldn't be that hard  
C Am G  
Just a few honest words  
F  
Is all I need

[Verse 5]

C F  
If we don't choose our leaders  
C F  
They'll choose themselves  
C Am G  
Tell me again  
F  
About democracy
