11:16:43 AM

03/29/22

Key: C Capo: 1st fret Notes:

[Intro]

Am G C Dm F
Am G C Dm F

[Verse 1]

Am G C Dm F
Standing on the corner, I could listen to the radio
Am G C Dm7 F
When the savior sang from the fire escape on a second floor
Am G C Dm7 F
You were always saying we would make it to the catacombs
Am G C Dm7 F
In the end, it came when you wrote my name on a bathroom stall

[Bridge]

C G F
If the photograph doesn't bring you back
C G Am F
If the final chapter is it ever after
Am G C Dm F
Ooh-ooh-ooh-ooh-ooh

[Verse 2]

Am G C Dm7 F
I remember waking up the neighbor, like a stadium
Am G C Dm7
Yeah, you ran upstairs, screaming no one cared
F
And the band played on
Am G C Dm7 F
Even in the limo, you were feeling like an animal
Am G C Dm7 F
At the traffic light, when you blew your mind on a mobile phone?

[Pre-Chorus]

G
That night, my love
F
You said the blood was on my hands

[Chorus]

C Em7 G Am
Long, as you run
Am G C
I couldn't give you up
C Em7 G Am
For ev - er run
Am G C
I couldn't give you up

[Interlude]

Am G C Dm F

[Bridge]

G F
In the minivan, with your headphones in
G F
Did you write your letters to your shitty friends?
F G
And all this time, you said to me, "My love would never die"

[Chorus]

C Em7 G Am
Long, as you run
Am G C
I couldn't give you up
C Em7 G Am
For ev - er run
Am G C
I couldn't give you up (And the daylight in my hand)

C Em7 G Am
Long, as you run (And the silence on the street)
G C
I couldn't give you up (And the long light in my hand)
C Em7 G Am
For ev - er run (And I was incomplete)
G C
I couldn't give you up (And the daylight in my hand)

C Em7 G Am
Long, as you run (And the silence on the street)
G C
I couldn't give you up (And the long light in my hand)
C Em7 G Am
So don't look back (And I was incomplete)
G C
I couldn't give you up (And the daylight in my hand)

[Outro]

C Em7 G Am
Long, as you run (And the silence on the street)
G C
I couldn't give you up (And the long light in my hand)
C Em7 G Am
For ev - er run (And I was incomplete)
G C
I couldn't give you up
