[Verse 1]
E Asus2 Bsus4 Asus2

The child of air is borne upon the wind that blows across the sea

E Asus2 Bsus4 Asus2
And in the element of summer
E Asus2 Bsus4
The cliffs suspended in the heat
Asus2
The air in columns
E Asus2 Bsus4 Asus2
The tiny figures of the world are walking

Underneath your feet
Asus2 Bsus4
And underneath your hair

[Chorus 1]
Asus2 Asus2/G# Asus2/F# Asus2/E Bsus4
Where angels wander

Where angels wander... over you

The starlight shimmers on the spray

And falls towards you

Your perfect lover's never there
Asus2 E Asus2 Bsus4
And if she was, she wouldn't be... and neither, though, would you

[Chorus 2]
Asus2 Asus2/G# Asus2/F# Asus2/E Bsus4
Save your illusions
Asus2 Asus2/G# Asus2/F# Asus2/E Bsus4
For someone else
Asus2 Asus2/G# Asus2/F# Asus2/E Bsus4
Save your illusions
E Asus2 Bsus4 Asus2
For yourself

The quick explosion and the slow

Release of heat, you
E Asus2 Bsus4 Asus2 E
The tide recedes upon the bones of something beautiful and drowned
Asus2 Bsus4
In coral and in jade

Over you
