

Key: Em

[Intro]

Em – A – Em – B – A – Em

[Chorus]

Em	A
Cajun moon	where does your power lie?
Em	A
as you move	across the southern sky.
Em	B
You took my baby	way too soon.
A	Em
What have you done	Cajun moon?

[Verse 1]

Em	A
Someday baby,	when you want your man
Em	A
And find him gone,	just like the wind
Em	B
Don't trouble your mind,	whatever you do,
A	Em
'Cause Cajun moon	took him from you.

[Chorus]

[Solo]

[Verse 2]

Em	A
When daylight fades,	and night comes on,
Em	A
You can hear the silence	of this song,
Em	B
Don't trouble your mind,	whatever you do,
A	Em
'Cause he got me	like he got you.

[Chorus]

[End]

Em
