[Chorus]

E ^b m7	A ^b
Cajun moon	where does your power lie?
E ^b m7	A ^b
as you move	across the southern sky.
E ^b m7	B ^b
You took my baby	way too soon.
A ^b	E ^b m7
What have you done	Cajun moon?

[Verse 1]

E ^b m7	A ^b
Someday baby,	when you want your man
E ^b m7	A ^b
And find him gone,	just like the wind
E ^b m7	B ^b
Don't trouble your mind,	whatever you do,
A ^b	E ^b m7
'Cause Cajun moon	took him from you.

[Chorus]

[Solo]

[Verse 2]

E ^b m7	A ^b
When daylight fades,	and night comes on,
E ^b m7	A ^b
You can hear the silence	of this song,
E ^b m7	B ^b
Don't trouble your mind,	whatever you do,
A ^b	E ^b m7
'Cause he got me	like he got you.

[Chorus]
