[Intro]

[Verse 1]

The days are dark, - and the nights are lonely  
Since you left - me all alone  
I love you so, - my little darling  
I worry so, since you've been gone

[Chorus]

Sweetheart of mine, - can't you hear me calling?  
A million times - I loved you best  
I mistreated you, - Lord and I'm sorry  
Come back to me, is my request

[Verse 2]

I remember dear, - the night we parted  
A big mistake's - caused it all  
If you'll come back, - sunshine will follow  
To stay away would be my fall

[Chorus]

Sweetheart of mine, - can't you hear me calling?  
A million times - I loved you best  
I mistreated you, - Lord and I'm sorry  
Come back to me, is my request

[Solo]

[Verse 3]

The days are dark, - my little darling  
Oh how I need - your sweet embrace  
When I woke up, - the sun was shining  
When I looked up I saw your face

[Chorus]

Sweetheart of mine, - can't you hear me calling?  
A million times - I loved you best  
I mistreated you, - Lord and I'm sorry  
Come back to me, is my request

[End]
