[Verse 1]

We come to celebrate our love for, Josh
 Brother, son, nephew and friend
 Full of kindness and laughter
 He has found peace, in the end

Thirty nine is way to young
 Not enough for us to see
 Thinking of all the good times
 Mother earth claim's him from you and me

[Verse 3]

Well, we think of our Josh today
 Brother, son, nephew and friend
 Can't believe he is gone so soon
 But he has found peace in the end

 Not enough for us to see
 Thinking of all the good times
 Mother earth she claim's him from you and me
