Key: A Notes: Tom Waits cover from his album: Mule Variations
Chorus adds some palm muting and a more staccato rhythm

[Intro]
A-E-D A-E-F#m

[Verse 1]
Well the moon is broken and the sky is cracked
Come on up to the house
The only things that you can see is all that you lack
Come on up to the house

[Verse 2]
All your cryin don't do you no good
Come on up to the house
Come down off the cross, we can use the wood
Come on up to the house

[Chorus]
You got to come on up to the house
Come on up to the house
The world is not my home. I'm just a passin' through
Come on up to the house

[Solo] [2x]

[Verse 3]
There's no light in the tunnel No irons in the fire
Come on up to the house
And your singin lead soprano In a junk man's choir
Come on up to the house

[Verse 4]
Don't life seem nasty, brutish and short
Come on up to the house
The seas are stormy and you can't find no port
Come on up to the house

[Chorus] F#

Yeah, you got to come on up
Come on up to the house
Come on up to the house
The world is not my home. I'm just a passin' through
Come on up to the house

[Solo] [2x]

[Verse 4]
There's nothin' in the world that you can do
Come on up to the house
you been a whipped by the forces That are inside you
Come on up to the house

[Verse 5]
Well you're high on top of your mountain of woe
Come on up to the house
And you know you should surrender, but you can't let it go
Come on up to the house

[Chorus]
You got to come on up to the house
Come on up to the house
The world is not my home
I'm just a passin' through
Come on up to the house

[Outro]
Yeah, you got to come on up to the house
Come on up to the house
The world is not my home. I'm just a passin' through
Come on up to the house
