

Key: A Notes: Tom Waits cover from his album: Mule Variations
 Chorus adds some palm muting and a more staccato rhythm
 Capo: 5th Fret for my voice

[Intro] [Chorus Cords]

A–E–A / A–E–F#m / A–E–D / A–E–A

[Verse 1]

Well the moon is broken and the sky is cracked

Come on up to the house

The only things that you can see is all that you lack

Come on up to the house

[Verse 2]

All your cryin' don't do you no good

Come on up to the house

Come down off the cross, we can use the wood

Come on up to the house

[Chorus]

You got to come on up to the house

Come on up to the house

The world is not my home. I'm just a passin' through

Come on up to the house

[Solo] [2x]

[Verse 3]

There's no light in the tunnel No irons in the fire

Come on up to the house

And your singin lead soprano In a junk man's choir

Come on up to the house

[Verse 4]

Don't life seem nasty, brutish and short

Come on up to the house

The seas are stormy and you can't find no port

Come on up to the house

[Chorus]

[Solo] [2x]

[Verse 4]

There's nothin' in the world that you can do

Come on up to the house

you been a whipped by the forces, that are inside you

Come on up to the house

[Verse 5]

Well you're high on top of your mountain of woe

Come on up to the house

And you know you should surrender, but you can't let it go

Come on up to the house

[Chorus]

[Outro]

Yeah, you got to come on up to the house

Come on up to the house

The world is not my home. I'm just a passin' through

Come on up to the house

[Close]

yeah
