[Verse 1]
```
      Cadd9           G                          Em7       D
on the shore and the night is slipping through my hands
      Cadd9                  G                Em7        D
I fall in to the sea like the empire built on the sand
             Cadd9                            G
I've been thinking 'bout the days when we had no money

```
                Cadd9
so don't walk away love
         G
there's never enough
                Em7
that could make me crash
              D
on the broken glass

            Cadd9
let the storm rage
         G
I'd die on the waves
            Em7
but I will not rest
                D
while the love lies
             Cadd9
dead in the water

                  Em7      D
dead in the water
             Cadd9
in the water
                  Em7      D
dead in the water
```

```

      Cadd9                   G                 Em7      D

It's dripping in my ear and it don't sound funny
      Em7                     D

that could make me crash
              D
on the broken glass

            Cadd9
let the storm rage
         G
I'd die on the waves
            Em7
but I will not rest
              D
while the love lies
