Key: Notes:

[Intro]

D Dmaj7 D Dmaj7 D Dmaj7 [2x]

[Verse 1]

D Dmaj7
Don't talk, I will listen
D Dmaj7
don't talk, you keep your distance
G D
I'd rather hear some truth tonight
Em D
Than entertain your lies
G D
So take you poison silently
Em A
Let me be, let me close my eyes

[Verse 2]

D Dmaj7
Don't talk, I'll believe it
D Dmaj7
Don't talk, listen to me instead
G D
I know that if you think of it
Em D
Both long enough and hard
G D
The drink you drown your troubles in
Em A
Is the trouble you're in now

[Chorus 1]

Em D A
Talk, talk, talk about it
Em D A
If you talk as if you care
Em D A
But when your talk is over
D G
You tilt that bottle in the air
D G A
Tossing back more than your share

[Verse 3]

D Dmaj7
Don't talk, I can guess it
D Dmaj7
Don't talk, well, now you're restless
G D
And you need somewhere to put the blame
Em D
For how you feel inside
G D
You'll look for a close and easy mark
Em A
And you'll see me as fair game

[Chorus 2]

Em D A
Talk, talk, talk about it
Em D A
You talk as if you care
Em D A
But when your talk is over
D G
Tilt that bottle in the air
D G A
Tossing back More than your share

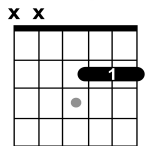

[Chorus 3]

Em D A
You talk, talk, talk about it
Em D A
You talk as if you care
Em D A
I'm marking every word
D G
And can tell this time for sure
D G A
Your talk is the finest I have heard

[Verse 4]

D Dmaj7
So don't talk, I am sleeping
D Dmaj7
Don't talk, let me go on dreaming
G D
How your eyes they glow so fiercely
Em D
I can tell that you're inspired
G D
By the name that you just chose for me
Em A
Now what was it? Oh, never mind it

Dmaj7

[Chorus 4]

Em D A
We will talk, talk, talk about this
Em D A
When your head is clear
Em D A
I'll discuss this in the morning
D G
But until that
D G A
you may talk but I won't hear

[Outro] [2x]
