

Key: C    Capo: 4th Fret    Notes: These are slightly different lyrics

[Verse 1]

It ain't no use to sit and wonder why babe  
It don't matter anyhow  
Ain't no use to sit and wonder why babe  
If you don't know by now

[Chorus]

When the rooster crows, at the break of dawn  
Look out your window, and I'll be gone  
You're the reason I'm traveling on  
Don't think twice, it's alright

[Verse 2]

It ain't no use to turn'in' on your light, babe  
That light I never knowed  
And it ain't no use to turnin' on your light babe  
I'm on the dark side of the road

[Chorus]

Still I wish there was something you would do or say  
To try and make me change my mind and say  
We never did too much talking anyway  
So don't think twice, it's alright

[Verse 3]

I'm walking down that long lonesome road babe  
Where I'm bound, I can't tell  
But goodbye's to good a word, gal  
So I'll just say fair-thee-well

[Chorus]

I ain't saying you treated me unkind  
You could have done better, but I don't mind  
You just kinda wasted my precious time  
But don't think twice, it's alright
