

Key: D

[Verse 1]

Hey, the roof is leaking and the rain's falling on my head .....it won't stop

The roof is leaking and the rain's falling on my head .....I need a mop

I cried so hard, teardrops on my bed .....drippity drop, yeah

[Verse 2]

She packed up her bags and she moved out on the midnight train .....she got no brain

She packed up her bags and she moved out on the midnight train .....girl's insane

She took my heart, tears rolling down my drain.....just like rain

[Chorus]

My buddy come to see me to give me a .....tip, tip, tip

I said, now listen here, friend, I tell you .....I'm hip, hip, hip

Why don't you mind your own business.....shut your lip, lip, lip

I know when my girl give me the .....slip, slip, slip

I said the roof is leaking, rain's falling on my head .....Oh, yeah

I cried so hard, teardrops on my bed. All over the floor.....that's what I said
