[Intro]

D D

[Chorus]

Well its all right, riding around in the breeze
 Well its all right, if you live the life you please
 Well its all right, doing the best you can
 Well its all right, as long as you lend a hand

[Verse 1]

You can sit around and wait for the phone to ring (end of line)
 Waiting for someone to tell you everything (end of line)
 Sit around and wonder what tomorrow will bring (end of line)
 Maybe a diamond ring

[Chorus]

Well its all right, even if they say you're wrong
 Well its all right, sometimes you gotta be strong
 Well its all right, as long as you got somewhere to lay
 Well its all right, everyday is judgment day

[Verse 2]

Maybe somewhere down the road aways (end of line)
 You'll think of me, and wonder where I am these days (end of line)
 Maybe somewhere down the road when somebody plays (end of line)
 Purple haze

[Chorus]

Well its all right, even when push comes to shove
 Well its all right, if you got someone to love
 Well its all right, everything'll work out fine
 Well its all right, were going to the end of the line

[Verse 3]

Don't have to be ashamed of the car I drive (end of line)
 I'm just glad to be here, happy to be alive (end of line)
 It don't matter if you're by my side (end of line)
 I'm satisfied

[Chorus]

Well its all right, even if you're old and grey
 Well its all right, you still got something to say
 Well its all right, remember to live and let live
 Well its all right, the best you can do is forgive

[Chorus]

Well its all right, riding around in the breeze
 Well its all right, if you live the life you please
 Well its all right, even if the sun don't shine
 Well its all right, were going to the end of the line

[Outro]
