Key: Capo: 1st Fret Notes: Either finger pick or play constant base notes.

[Intro]

G Em C D G

[Verse 1]

Every breath you take

Every move you make

Every bond you break

Every step you take

I'll be watching you

[Verse 2]

Every single day

And every word you say

Every game you play

Every night you stay

I'll be watching you

[Chorus]

Oh can't you see, you belong to me

How my poor heart aches, with every step you take

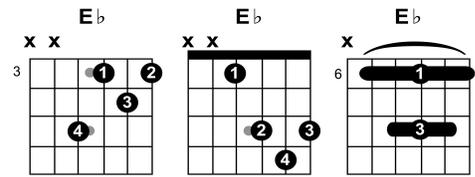

And every move you make

And every vow you break

Every smile you fake

Every claim you stake

I'll be watching you

[Bridge]

Since you've gone I've been lost without a trace

I dream at night, I can only see your face

I look around but it's you I can't replace

I feel so cold and I long for your embrace

I keep crying baby, baby, pleeeeeeeaaaassssse

[Interlude]
