```
Key: Em Capo: 3rd Fret Finger picking song. Notes: The original is in Bb.
[Intro]
                                                                [Bridge]
Em
                                                                Em
                                                                Oh, I was a fool
                                                                       Em
[Verse 1]
                                                                Never again
                                                                        G
Ooooohhhh, I was a fool, I was a fooool
                                                                I was a fool
                                                                        Am G
Ooooohhhh, I was I really loving yooouu
                                                                And I'll try
                                                                   Am
    [Chorus]
                                                                To live my life
       Am
                                                                      G
    In October and May
                                                                free
    Every night and every day
                                                                [Verse 4]
    I was a foooooooollllll
                                                                Ooooohhhh, I was a fool, I was a fooool
[Verse 2]
                                                                Ooooohhhh, I was I really loving yooouu
Oh, you can't change the way the wind blows
                                                                    [Chorus]
You can try, but everybody worth their salt knows
                                                                       Am
                                                                    In October and May
                                                                           Am
                                                                    Every night and every day
[Verse 3]
        Am
You can't mess with the breeze
                                                                    I was a foooooooollllll
It just does what it please
                                                                [Outro]
                                                                       Am G
I was a fooooooolll down on my knees
                                                                I was a foooooolllll
                                                                I was a foooooolllll
                                                                       Am G
                                                                I was a foooooollll
                                                                [Ending]
```

Am G
