                                                                   There ain't no rope - stout enough to bind me
[Verse 1]
                                                                   Look for me - honey you will find me
