D -----0-2-0-----	-0
A -----2-----2-2-3-2-0-----	-2
E -3-3-----	-3-3

G D G  
Since I can remember, you're all I know

G D G  
From the summers through winters, through laughter and woe

G C G  
Well my memory's fading and my heart it beats slow

G D G  
If I can't take you with me, then I just won't go

Every step of my life, I've walked them with you

As it comes to an end, there's one left to do

We all face the river and cross it alone

If I can't take you with me, then I just won't go

G – D – G  
G – D – G  
G – C – G  
G – D – G

Seems I've spent my whole life, with not much to show  
But the love I have for you, that continues to grow  
Well the sun is setting and the wind she won't blow  
and if I can't take you with me, then I just won't go

Every step of my life, I've walked them with you  
As it comes to an end, there's one left to do  
We all face the river, and cross it alone

But if I can't take you with me, then I just won't go
