

Key: D

[Intro]

D

[Verse 1]

D

These city streets

D

These city streets are gray and pale

There's nothing for me here

[Verse 2]

D

It's oh so cold

D

It's oh so cold, but there is no snow on the ground

So why should I stick around

[Chorus]

Where sometime I wished I lived in a
little mountain town

Where everybody knows your name
and nobody gets you down

Bm

[Verse 3]

D

To pass the time

D

To pass the time why don't you go see a show

I don't care what we see

(don't even want to know) I just want to pass the time

[Verse 4]

D

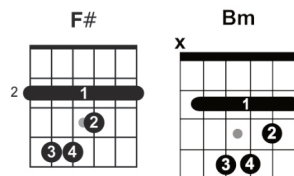

Then maybe you

(Oh darling, then I hope) you start to see what I mean

You start to see just what I mean

G

(You start to see that)

[Chorus]

[Bridge]

F# – Bm | F# – Bm | F# – Bm | F# – G
aaaaaahhhhhh

[solo]

D – G – A – D | Bm – G – A – D | Bm

Bm

[Verse 5]

D

the only thing

D

(well the only thing) that keeps me here is that love a girl

the sad love a girl

[Verse 6]

D

She'd never understand

D

why I should ever want to leave her alone

so I guess I'll take her home

I'll shut up and take her home

[Chorus]

[Ending Chorus]

I'm gonna find my way out there
in the little mountain town
thing are gonna be the way I please
in the little mountain town

Said I'm gonna be the way
in the little mountain town

Everything gonna be the way I please
in the little mountain town

Oooooohhh
in the little mountain town
