

Mansions of Los Feliz – The Eels

04:43:27 PM 05/16/22

Key: C Notes: Baseline pick on and off the D string. Make sure you start with the 4th string E note repeats this endlessly.

Works best with the F chord being traditional, not barred.

Notes 2: I change the second verse's line to be less graphic. From "you can smell the flesh" to "I'm so depressed"
