12/28/22

Key: Capo: 3rd Fret Notes: Finger pick at first. Laying off the 2nd and 1st strings
ever other measure. Drone the D string with the thumb.

[Intro]

A – D

[Verse 1]

Been on a barbed wire highway 40 days and nights
I ain't complain'n and it's my job and it suits me right
I got a sweet soul fever rushin' around my head
I'm gonna sleep tonight in Maria's bed
Na na na na, na na na na, na na na na...

[Verse 2]

Got on a dead man's suit and smilin' skull ring
Lucky graveyard boots and a song to sing
I keep my heart in my work, my troubles in my head
And I keep my soul in Maria's bed
Hey Hey, Na na na na, na na na na, na na na na... [2x]

[Verse 3]

I been up on sugar mountain, 'cross the sweet blue sea
I walked the valley of love and tears and mystery
I got run outta luck and gave myself up for dead
Then I drank the cool clear waters from Maria's bed
Hey Hey, Na na na na, na na na na, na na na na... [2x]

[Bridge]

She give me candy stick kisses 'neath a wolf dog moon
One sweet breath and she'll take you, mister, to the upper room
I was burned by the angels, sold wings of lead
Then I fell in the roses and sweet salvation of Maria's bed

E--0--

[Verse 4]

I been out in the desert, doin' my time
Siftin' through the dust for fools gold, lookin' for a sign
Holy man said, "Hold on, brother, there's a light up ahead."
Ain't nothin' like the light that shines on me in Maria's bed

[Outro]

Well I take my blessings at the river head
I'm living in the light of Maria's bed

[Close]

Hey Hey, Na na na na, na na na na, na na na na... [3x]
