

Key: Capo: 4th Fret. 2nd Fret for my voice. **Notes:** Slow downer: Pitch -2.0

Notes 2: Drone the 5th, 4th and 3rd strings, then the 6th, 5th and 4th strings

Notes 3: The ****[C#5 riff]**** means to play more base notes and with more abandonment. Occasionally adding the 'B' and 'e' strings.

[Intro]

[C#5 riff]

[C#5 riff]

I sat there looking ugly, – looking ugly and mean.
Knew what you were saying – you were saying to me.
Baby's got some new rules, – baby said she's had it with me.
It seems a shame you waste your time on me.
Seems a lie to waste your time for me.

[C#4 riff]

****[C#5 riff]****

Left me to love, – What it's doing to me.

[C#5 riff]

There's a lot of honey in this world, – baby this honey's from me.
Got to do what you do, – do it with me.
It seems a shame you waste your time for me.

[C#4 riff]

****[C#5 riff]****

Left me to love, – What it's doing to me.

****[C#5 riff]****

[Haaaaa, haaa aaaa aaaaa [moaning]] [1x]

[C#5 riff]

Knocked silly, – knocked flat, – sideways down.
These things they pick you up, – turn you around.
Say your piece, – say you're sweet for me.
It's all the same to share the pain with me.
It's all the same. Save the shame for me.

[C#4 riff]

****[C#5 riff]****

Left me to love, – What it's doing to me.

[C#5 riff]

Baby's got some new rules, – baby says she's had it with me.
There's a fly in the honey and baby's got a baby with me.
That's a part, – that's a part of me.

[C#4 riff]

[C#5 riff]

Left me to love, – What it's doing to me.

[C#4 riff]

[C#5 riff]

Left me to love, – What it's doing to me.

[C#5 riff]

What about me?

[C#5 riff]

What about me?

****[C#5 riff]****

[Haaaaa, haaa aaaa aaaaa [moaning]]
