

Key: E Notes:

[Intro]

E – C#m – E – C#m

[Verse 1]

E C#m E C#m
 You never asked me what I wanted. You only asked me why.
 E C#m E B E
 I never thought that so much trouble was a restin' on my reply,
 A E A C#m
 I could say it was the nights when I was lonely and you were the only one who'd come.
 A E F# B
 I could tell you that I like your sensitivity, when you know it's the way that you walk.

[Chorus]

A E
 Why do you have to say that there's always someone
 A E
 who can do it better than I can?
 A E
 But don't you think that I know that walking on the water
 B [n.c.] B-B-B-B-B
 won't make me a miracle man?

[Verse 2]

E C#m
 Baby's gotta have the things she wants.
 E C#m
 You know she's gotta have the things she loves.
 E C#m
 She's got a ten-inch bamboo cigarette holder
 E B E
 and her black patent leather gloves.

[Verse 3]

A E
 And I'm doing everything just tryin' to please her,
 A C#m
 even crawling around on all fours.
 A E
 Oh, I thought by now that it was gonna be easy,
 F# B
 but she still seems to want for more.

[Chorus]

[Verse 4]

E C#m E C#m
 Yeah they're givin' you a bad reputation just because you've never been denied.
 E C#m E B E
 You try to say you've done it all before. Baby, you know that you just get tired.
 A E A C#m
 Yet everybody loves you so much, girl. I just don't know how you stand the strain.
 A E F# B
 Oh, but I'm the one who's here tonight and I don't wanna do it all in vain.

[Chorus]
