I'm alone in misery,
Am Am
I couldn't find nobody to love for me,
Em Em
I've been hurt and I've been scorned
B* B**
and had no lovin' since you've been gone.

[Chorus]

Em Am Em Em
Misery, oooh, misery, you're killing me.

[Verse 2]

Em Em
Oh, mama, no,
Am Am
I said I wouldn't fall in love no more
Em Em
since I've lost everything I had
B* B**
my heart is broken and I'm feeling so sad.

[Chorus]

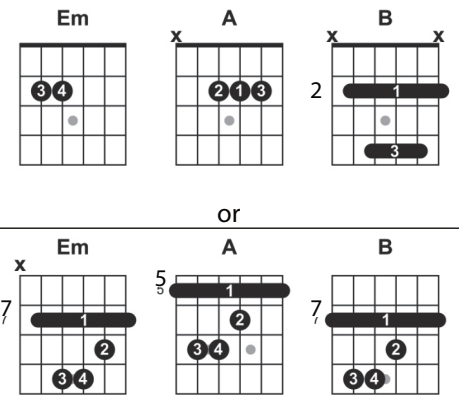

Em Am Em Em
Misery, oooh, misery, you're killing me.

[Bridge]

Am Am
Day and night I pace the floor,
Em Em
hoping I'll be happy once more.
Am Am
My life's is up and it's such a shame
B* B**
I lost my girl and have no one to blame.

[Chorus 2]

Em Am Em Em
Now, now, misery, oh, misery, it's killing me.
