[Verse 1]

Am

Single book of matches,

Gonna burn what's standing in the way.

Am

Roaring down the mountain,

they're calling on the fire brigade.

Am

Carry out the pictures,

and tell the kids that I'm okay.

Am

If I'm forgotten,

You'll remember me for a day.

[Chorus]

C

I won't ever be your cornerstone.

[Verse 2]

Am

All the black inside me

Is slowly seeping from the bone.

Am

Everything I cherish

Is slowly dying, or it's gone.

Am

Little shaken babies

And drunkards seem to all agree,

Am

Once the show gets started,

It's bound to be a sight to see.
