[Intro]

E

[Verse 1]

You want to try it like a poor man  
 Who didn't get his daddy's hand  
 And all that help from his good friends  
 To start you over and you bill again

[Chorus]

I've go the rich boy blues  
 And I'm sure not telling you  
 It's hard to lose  
 When your daddy pays your dues

[Verse 2]

Share cropping is a hard road to hoe  
 It don't matter who you know  
 There's lots of folk to show you out the door  
 When you got nowhere to go

[Chorus]

I've go the rich boy blues  
 And I'm sure not telling you  
 It's hard to lose  
 When your daddy pays your dues

[Verse 3]

You gotta choose at the wedding ring  
 Three calls and the pretty bird, it sings  
 Don't you worry 'bout a single thing  
 Cause you can get by with a half a brain

[Chorus]

I've go the rich boy blues  
 And I'm sure not telling you  
 It's hard to lose  
 When your daddy pays your dues

[Solo]

[Verse 4]

Gotta find a way to pay my bills  
 Cause if I don't know body will  
 I can't afford no little pills  
 When my 'caine and compound working still.

[Chorus]

I've go the rich boy blues  
 And I'm sure not telling you  
 It's hard to lose  
 When your daddy pays your dues

[Solo] [Abrupt end]

E
