[Verse 1]  
[Main Riff]  
**We are passengers in time, lost in motion, locked together**  
[Main Riff]  
**Day and night, by trick of light, but I must take another journey**  
[Main Riff]  
**We must meet with other names. Mmm, we must meet with other names**

[Verse 2]  
[Main Riff]  
**You touched my heart so deeply. You rescued me.**  
[Main Riff]  
**Now free me. Don't watch me cry.**  
[Main Riff]  
**Just see me go. I'll take away the strongest feelings you will ever know**

[Chorus]  
Dsus2 E  
**There will be no more isolation**  
D E  
**in our secret separation**  
Dsus2 E D E  
**You touched my heart so deeply. You rescued me.**  
A F#m  
**Now free me**

[Main Riff]  
**Passengers in time, lost in motion, locked together**  
[Main Riff]  
**Day and night, by trick of light, I must take another journey**  
[Main Riff]  
**We must meet with other names. If you hold me you will hurt me, be brave**

[Chorus]  
Dsus2 E  
**There will be no more isolation**  
D E  
**in our secret separation**  
Dsus2 E D E  
**You touched my heart so deeply. You rescued me.**  
A F#m  
**Now free me**

[Main Riff]  
**We are matching spark and flame**  
[Main Riff]  
**Caught in endless repetition, life for life we'll be the same**  
[Main Riff]  
**I must leave before you burn me. I am the stranger who deserts you.**  
[Main Riff]  
**Only to love you in another life**

[Chorus]  
Dsus2 E  
**There will be no more isolation**  
D E  
**in our secret separation**  
Dsus2 E D E  
**You touched my heart so deeply. You rescued me.**  
A F#m  
**Now free me**

[Close]  
[Main Riff]  
**I'll bear one precious scar that only**  
**you will know**

[Main Riff]  
**Passengers in time,**  
**free me**

[Main Riff]

[End]
