[Intro]

G D A G G D A A

[Verse 1]

G D A G
I used to ring you and put down the phone,
G D G G
once wore a hole in your dress.

Even tried Voodoo right outside your home,
G D G G
but these days I just couldn't care less.

She doesn't exist anymore,
G D A A
She doesn't exist anymore.

[Verse 2]

G D A G
I let her go like the fool that I was
G D G G
Thought I'd get over her soon
G D A D
I smell her perfume when my eyes are closed
G D G G
And I see her face in the moon

G D A A
She doesn't exist anymore,
G D A A
She doesn't exist anymore.

[Interlude]

G D A G G D A A

[Verse 3]

G D A G
I tell myself it would be different now

I wouldn't treat her that way
G D A D
I wouldn't be me if she wasn't her
G D G G
And it's far too late anyway

[Chorus]

G D A A
She doesn't exist anymore,
(A la la lala)

G D A A
She doesn't exist anymore.
(La la la lala) (La la la lala)

[Verse 4]

G D A G
Only inside you the ghost of a love
G D G G
That is wordless and painful and old
G D A D
There's no one else in the whole outside world
G D G G
That matches to her in your soul

[Chorus]

G D A A
She doesn't exist anymore,
(A la la lala)

G D A A
She doesn't exist anymore.
(La la la lala) (La la la lala)
