[Verse 1] [Male]

I slipped out of the house about sundown
 While mama was a washing her hair
 And you can bet your bottom dollar, she'll come looking for me
 When she'll find that I'm not there
 And if she catches her sweet thang running around
 I know there'll be the devil to pay
 You'll come blowing like a cyclone right through that door
 And I hear exactly what she'll say

A [Pause]

[Chorus] [Female]

Well has anybody here seen sweet thang
 I got a notion he'll be headed this a-way
 Cause when my sweet thang's out tomcatting around
 You find a sandbox like this to play
 I wanna tell all you barroom roses
 If my sweet thang does happen by
 You'd better take my advice and if you blink more than twice
 You'd better have something in your eyes

E [Pause]

[Verse 2] [Male]

I gave my baby all my money on payday
 Except a little she don't know that I got
 Cause there's a little cute waitress down at the corner cafe
 And she seems to like me quite a lot
 Well we were sitting in the back booth just a having a talk
 And she believen' every word that I said
 When that door blew open and mama walked in
 Yelling loud enough to wake the dead

A [Pause]

[Chorus] [Female]

Well has anybody here seen sweet thang
 I got a notion he'll be headed this a-way
 Cause when my sweet thang's out tomcatting around
 You find a sandbox like this to play
 I wanna tell all you barroom roses
 If my sweet thang does happen by
 You'd better take my advice and if you blink more than twice
 You'd better have something in your eyes

[Close] [Both]

You'd better take my advice and if you blink more than twice
 You'd better have something in your eyes

[End]
