Key: A Capo: Notes: Add 7th

[Intro]

A G D A

[Verse 1]

**You get up every morning, from your 'larm clock warning**  
**Take the 8:15 in to the city,**  
**There's a whistle up above, and the people pushin' and shovin'**  
**And the girls who try to look pretty**  
**And of your train's on time, and can get to work by nine**  
**And start you slaving job to get your pay**  
**If you ever get annoyed, look at me, I'm self employed**  
**I love to work at nothin' all day,**

[Chorus]

**And I'll be takin' care of business (every day)**  
**Takin' care of business (every way)**  
**I've been takin' care of business (it's all mine)**  
**Takin' care of business and workin' overtime**

[Solo]

[Verse 2]

**If it were as easy as fishin', and you could be a musician**  
**If you could make sounds, loud or mello**  
**Get a second hand guitar, chances are you'll go far**  
**If you get in with the right bunch of fellows**  
**People see you having fun, just a lying in the sun**  
**Tell them that you like it this way**  
**It's the work that we avoid, and we're all self-employed**  
**We love to work at nothing all day**

[Solo]

[Chorus]

(fade out)
