[Intro]

G5* D [4x]

[Verse 1]

That's all I know	about who won the war
Just when she left	and how far she walked
She took her dress	and the shoes she wore
That's all I know	about Arkansas

[Interlude]

G5* D [4x]

[Verse 2]

She's headed to	another life
God only knows	where she will land
The frozen north	with all its strife
The muddy south	she plowed by hand

[Verse 3]

No one told her	she could sing
They turned their backs	and she was gone
But a ghost light shines	on rusty strings
