

# The Charging Sky - Jenny Lewis with The Watson Twins

07:59:12 AM

01/29/23

Key: C Notes:

[Intro]

CG | FC | CG | FC

[Verse 1]

C G F C  
If I run uphill I'm out of breath  
C G F C  
If I spend all of my money I've got no money left  
C G F C  
If I place all of my chips on only one bet  
F C G  
I'm all in

[Verse 2]

C G F C  
And it's a surefire bet I'm gonna die  
C G F C  
So I'm taking up praying on Sunday nights  
C G F C  
And it's not that I believe in your almighty  
F C G  
But I might as well  
F C G  
As insurance or bail

[Verse 3]

C G F C  
This institution's like a big bright lie  
C G F C  
And it blinds you into fear and consuming in fire  
C G F C  
And you've been in the desert underneath the charging sky  
F C G  
It's just you and God  
F C G  
But what if God's not there?  
F C G  
But his name is on your dollar bill  
F C G  
Which just became cab fare

[Verse 4]

C G F C  
For the Evangelist, the Communist, the Lefts and the Rights  
C G F C  
And the hypocrites and the Jesuits and the blacks and the whites  
F C G  
It's in the belly of the beast  
F C G  
In the Atlanta streets  
F C G  
Or up in Laurel Canyon  
F C G  
The verge of Middle East

[Instrumental interlude]

[Verse 5]

C G F C  
Still they're dying on the dark continent  
C G F C  
It's been happening long enough to mention it  
C G F C  
Have I mentioned my parents are getting back together again  
F C G  
It's been twenty - five years  
F C G  
Of spreading infection  
F C G  
Somehow we're not affected

[Verse 6]

C G F C  
So my mom, she brushes her hair  
C G F C  
And my dad starts growing Bob Dylan's beard  
C G F C  
And I share with my friends a couple of beers  
F C G  
In the Orlando streets  
F C | G | G F C | G | G F C | G | % |  
In the belly of the beast

[Coda]
