[Intro]

E – A – B – B [2x]

[Verse 1]

I'll come to you in the day-time  
 I will raise you from your sleep  
 I will kiss you in four places  
 I'll go run down your street  
 I will squeeze the life right out of you  
 You will make me laugh and make me cry  
 And thou we try to forget it  
 You will make me call your name,  
 and I'll shout it to the blue summer sky

[Chorus]

We may never meet again,  
 So shed your skin and lets get started  
 And You will thro - ow your arms around me  
 You will thro - ow your arms around me

[Break]

E – A – B – B

[Verse 2]

I have dreamed of you in the day-time  
 And I have watched you in your sleep  
 I've met you in high places  
 Touched your head and touched your feet  
 And thou I disappear out of view,  
 You know that I will never say goodbye  
 And though I try to forget it,  
 You will make me call your name,  
 and I'll shout it to the blue summer sky

[Chorus]

We may never meet again,  
 So shed your skin and lets get started  
 And you will thro - ow your arms around me  
 And you will thro - ow your arms around me

[Close]

Ohhh aaa aohh oooooohh around me ah ha, ah ha,  
 Ohhh aaa aohh oooooohh around me ah ha, yeah ha  
 Ohhhhhh aaa ohh ohh ooo me  
 Ohhhhh aa ahhh ohhh ooo aaa aaaaa

[Chorus]

We may never meet again,  
 So shed your skin and lets get started  
 And you will thro - ow  
 And you will thro - ow  
 thro - ow your arms around me
