E B E
Now I am too thin and your love is too vast

[chorus]

But I know from your eyes

And I know from your smile
E E E E B
That tonight will be fine, will be fine, will be fine
E
for a while

I choose the rooms that I live in with care

The windows are small and the walls almost bare

There's only one bed and there's only one prayer
E B E
Here I wait every night for your step on the stair

E B E
Oh sometimes I see her undressing for me

She's the soft naked lady love meant her to be
E B A
And she's moving her body so brave and so free
E B E
If I've got to remember that's a fine memory

[chorus]

E E E E B
That tonight will be fine, will be fine, will be fine
E
for a while

[Kid Friendly]

E B E
Oh sometimes I see her looking at me

She's soft and kind the way love is meant to be
E B A
And she's moving her body so brave and so free

If I've got to remember that's a fine memory
