Lyrics

Verse-1

Instrumental Parts

Part\_1 = Dsus D C G D C G

Part\_2 = Dsus D5 C G G Bb

When you dance, do your senses tingle - then take a chance

In a trance, while the lonely mingle with cir-cum-stance

I've got something to tell you - you made it show

Let me come over - I know you know

When you da - ance, Oh - Oh - I can really love

Verse 2

Instrumental\_Parts

Part\_1 = Dsus D C G D C G

Part\_2 = Dsus D5 C G G Bb

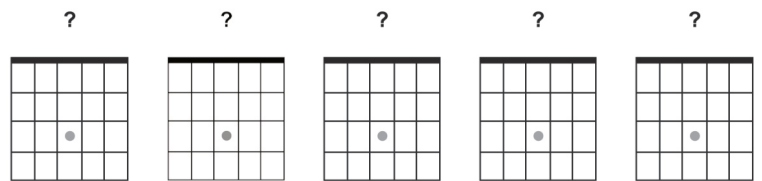

I can love, I can really love - I can really love

I can love, I can really love - I can really love

Like a mountain that's growing, a river that flows

Let me come over - I know you know

When you da - ance, Oh - Oh - I can really love

## Notes:-

#1 Dm7 : You can play an "F" chord if you wish

- there's not much difference.

#2 Slide : the Bar chord up (e.g. F to G) before striking G

#3 Bb : Play the "Open String" inversion + play the 5th string "open" to get a dis-chord sound then it easily drops down to Am7

## When playing Instrumental Parts:-

Dsus & D5 should be struck 3 times each D is struck 3 times in 1st part but only 2 times in 2nd part

C, G & Bb are only played once each

## Additionally:-

C : just play the 5th,4th,3rd strings in sequence

- don't sound the whole chord.

G : Play "Open String" chord inversion on the 1st line

Play the Bar inversion on the 2nd line
