

You Finally Said Something Good (When You Said Goodbye) – Teddy Thompson

Sep 12, 2025, 5:16 PM

Key: C Major Capo: 2nd Fret

[Verse 1]

You finally said something good when you said goodbye
 So don't wait around - to see - if I'm gonna cry
 Instead of tears - streaming down my face
 You find a great big - smile in it's place
 You finally said something good when you said goodbye

[Verse 2]

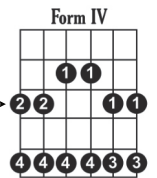

I don't wanna rush you - baby, but I'll help you pack
 I've been waitin' for you - to make a move - like that
 Don't waste your time on goodbyes, dear
 You've already said what I want to hear
 You finally said something good when you said goodbye

[Solo]

[Verse 3]

If it'll help you move faster, - I'll call you a cab
 Don't worry 'bout the fare, - I'll pay the tab
 You've been talkin' and talkin' - all these years
 And you've finally said - what I want to hear
 You finally said something good when you said goodbye

Notes: Solo Form IV: start on 2nd Fret

[Verse 4]

You finally said something good when you said goodbye
 So don't wait around to see - if I'm gonna cry
 Instead of tears - streaming down my face
 You find a great big - smile in it's place
 You finally said something good when you said goodbye
 Yeah, you finally said something goooooood

[Pause]

[Ending]

When you said goooood byeeeee
