Jul 15, 2025, 8:15 AM

Key: C Notes: Chorus played with open chords

[Intro]

[Verse 1]

When your souls weary  
When you find doubt  
When you can't hear me  
Lay your troubles down

[Verse 2]

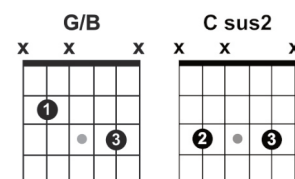

In your dark moments  
When your hearts weak  
Bring yourself broken  
You will find me

[Chorus]

Who wrote the rain. Who wrote the sun in  
Who called your name. Where are you running  
I'm gonna be there near or far. I'm gonna meet you where you are  
Who wrote your name. Who wrote the sun in

[Verse 3]

When you come thirsty  
When the wells dry  
When your souls dirty  
I am by your side

[Verse 4]

When your faiths broken  
When you can't see  
With my arms open  
You will find me

[Chorus]

Bridge

You carried all my shame  
When you called my name  
I am not the same

[Chorus]

Who wrote the rain. Who wrote the sun in  
Who called your name. Where are you running  
I'm gonna be there near or far. I'm gonna meet you where you are  
Who wrote your name. Who wrote the sun in
