

Key: #b Capo: Notes: First line of the chorus, sing quickly.

[Intro]

G C
Yeah. That's right
G C
HmMMM. mmmmm

[Verse 1]

G C
Looks like the sun won't come out today
G C
But the weather man said there's no chance of rain,
D C
Every once in a while, you need to get away
D C D G
Feels like voodoo dolls and prank calls every day (yeah)

[Chorus]

G C
But I believe that were meant to fly
C
Come with me, my love don't hide
G C D
All your hopes and all your fears are safe out here tonight
C
Cuz I believe that were meant to fly
G D G
So come on lets ride, ride, ride 000000.

[Verse 2]

G C
Sounds like the birds have stop singing... (yeah)
G C
The cold winds must have come and taken them away, (yeah)
D C
But all you want is to sing along today
D C D G
And bring them back again. Its all detours red lights and dead ends.

[Chorus]

G C
But I believe that were meant to fly
C
Come with me, my love don't hide
G C D
All your hopes and all your fears are safe out here tonight
C
I believe that were meant to fly
G D G
Come on, come on let it ride, ride. 0000000

[Verse 3]

G C
I'll take you to a place that no ones ever been before
G C
Were hanging on too long and time to let it all go.
D C
You got to let go, yeah! Oh Yeah! Yeah! Yah!
D C D G
All your hopes and all your fears are safe out here tonight

[Chorus]

G C
And I believe that were meant to fly
C
Cause I believe, come on don't cry
G D G
Ooooo! We were meant to fly, fly flyyyy ii-ee-ii

[Chorus Reprise]

G C
Cause I believe that we were meant to fly
C
Cause I believe, what I believe
D C
Were meant to fly, that were meant to fly
G
0000000
