[Verse 1]

I see history repeating itself
 Nothing seems to be learned
 Day after day she was wrong
 A tag-a-long Eva Braun.

[Chorus]

D Cadd9 G
 Natalie play that harp we know your gone
 D Cadd9 G
 Natalie play that harp where do you think your going

[Verse 2]

A lot has changed since you've been gone
 The world was turning brighter all along
 Maybe it was because you and him are gone
 Are the days of Eva Braun

[Chorus]

D Cadd9 G
 Natalie play that harp we know your gone
 D Cadd9 G
 Natalie play that harp you know where your going

[Verse 3]

I see history repeating itself
 Background girl that supports days gone
 I don't know when she had gone

[Chorus]

D Cadd9 G

There was a time she was strong Eva Braun.

 There was a time when you're lost

 Cyanide move that along
 Photograph's is all that exist
 Just a few people do miss

The reincarnation of Eva Braun
 Gone are the days of no new songs
 A friend of you it's a long long song
 But you know I can't belong To Eva Braun

 Can it be all that wrong
 We needed her to get along
 We needed her influence the choices he made

 Sycophants in this world
 Gonna be such a somber girl
