

Key: Gm **Note:** Tone to start with is the open G on the 3rd string. **Note 2:** Song idea recorded. Changed from a Finger picking song to **quick strumming**.

[Intro] [Same as the Chorus rhythm]

C D C D C D G G

[Verse 1]

G D C D G D-C-D
Time flies when your having fun, spending my time with no one other then you
G D C D G D-C-D
Each time we spend the hours stealing time, making a life around you

[Verse 2]

G D C D G D-C-D
Please help me see through your eyes how I'm so in love around you
G D C D G D-C-D
My heart will point the way, I should walk and it seems to point to you

[Chorus 1]

C D C D G G
Hold me close, | through the night | keep me up with your delights
C D C D G G
Make this moment | last awhile, | before we part, I'll miss you tonight

[Break]

D
Could we not separate
C
Why don't we keep the time
D
forever to consummate
C G - D - C - D
more over then under the line
G - D - C - D

[Verse 3]

G D C D G D-C-D
Hands of time will someday catch all our living, all our struggles we wish to forget
G D C D G D-C-D
Far to short to play the games that others try to in-cu-bate
G D C D G D-C-D
My heart will point the way, I should walk and it seems to point to you

[Chorus 2]

C D C D G G
fit me into | your planning, | fit me in it with your demands
C D C D G G
Let me crack | that harden shell, | you don't protect. Break that living hell

[Chorus 1]

C D C D G G
Hold me close, | through the night | keep me up with your delights
C D C D G G
Make this moment | last awhile, | before we part, I'll miss you tonight

[Ending]

C D C D C D G
I'll miss you tonight
