

Key: #b Capo: Notes:

[Verse 1]

E D
Where is the insanity
E D
If I didn't know better
E D
it's in the infinity
E D
The more I look at it
E D
the more it frustrates me

[Verse 2]

E D
The News, the web
E D
turn more and more to the crazies
E D
pulling away from reality
E D
settling on the ship of shit
E D
the more it frustrates me

[Verse 3]

E D
I think it was a Saturday
E D
no wait it was a Friday
E D
My mind starts to blunder
E D
There was a motion to make it fit
E D
it wasn't going to move until it split

[Chorus]

D A
There's a separate motion
D A
That is controlling our souls
D A
a divided contradiction
D A G
that exposes all are goals

E D
I couldn't get a hold of it personally
E D
I couldn't imagine were would you need to go
E D
stopped walking that line toward it
E D
and turned to the opposite
E D
now it doesn't frustrate me

[Verse 4]

E D
Now I'm released from it's death grip
E D
I have much more freedom
E D
I have a sense of wonder in things
E D
without all the baggage
E D
A sense of humility of it.

[Chorus]
